

# DAY 2

*"It is in your moments of decision that your destiny is shaped."  
Tony Robbins*

## **Day 2 – Reflecting back – Choosing a more engaging norm.**

In preparation of finding the solutions, let the following questions trigger your thoughts in helping to ease your next steps forward ...

Before

1. What do you find challenging when using projects as a way for your students to learn?
2. When you imagine a learning environment guided by a project, what does it look like?
3. How does it feel and how do you see your student's level of engagement?

Now

1. How do you imagine a project based learning environment might look like in a hybrid or virtual model?
2. What kind of help do you think you'll need to keep your students engaged in this type of learning environment?
